IConS of SCARF – Poster Presentation Guidelines

Poster presentations are open to all researchers, students, and professionals working in the field of mental health. Abstracts should reflect original research, innovative practices, or program evaluations aligned with the conference theme, “Innovations in Mental Health: Research and Practice.”

Poster abstracts must be submitted by 11:59 PM (IST) on April 30, 2026. Each abstract should not exceed 250 words and must clearly summarize the study under the following headings: Purpose, Methods, Results, and Conclusions. Titles should be concise and informative, avoiding abbreviations and acronyms. Tables or figures should not be included in the abstract.

All submissions will be reviewed by the **IConS** Scientific Committee based on scientific merit, clarity, and relevance. Authors will be notified of the results by email after evaluation before May 20, 2026.

Presenting authors of accepted posters are required to register for the conference upon abstract acceptance. Registration must be completed by May 31, 2026, the close of early-bird registration. Early-bird rates will be available until xx, 2026.

Detailed poster preparation and presentation guidelines will be shared with accepted authors closer to the conference.
